*"AAAAUUGGG!!!! EEEEEWWW!!!*

*GROSS!*

*Wha, what!? What just happened," Said prince Drew, confused. "What!? AWESOME! You kissed me!*

*Yes, I knew you would fall in love with me someday." "EEEEWWW!!!! NO! I don't like you! What happened was I was daydreaming and I tripped over a rock and fell and accidentally kissed you." "Well, I don't care I'm not going to give up." "Huh, you never will," said princess Peyton with a sigh. "Whatever! I better head back to the*

castle.”

“Well... Bye!” said Prince Drew. “Yea whatever!”

“Daddy, daddy! Why do I have to marry that fat headed weirdo!?” “First of all he’s not a fat headed weirdo and second of all don’t say that, it’s not lady like. But what are you talking about, you can’t marry him!”

“I can’t!? I mean, why?” “Because he’s dead, remember!?” “Uumm... Actually I fell and kissed him so he’s not dead anymore,” said princess Peyton with a little grin on her face. “Uumm... Ok,” said the king. “Now run along I’ve got things to do.” “Yes, daddy! She’s up to something and I’m going to find out what it is,” he said to his messenger.

*"Humm... How about I make a competition between Prince Drew and prince Moises," Peyton said in a romantic voice.*

*Now I will go tell the two princes. Now, Prince Drew "I'm going to make a competition between you and prince Moises. OK?" "OK!" said Prince Drew happily. "But whoever wins will be my groom." "This will be so exciting," said prince Drew with a smile. So the princess skipped home and told her father what she was going to do. "Now when will this be?" said the king. "Uummm... tomorrow!" "OK, it's settled!"*

Before you even knew it, it was the next day.

"Alright the first round will be... Who can slay the dragon?!" Prince Moises pulled up with his horse and spear. Then Prince Drew pulled up with his horse and spear. "Ready?! Set?! Go!" "Both princes charge at the dragon. Moises flings his spear at the dragon, he misses and the dragon blows fire at him. Then Prince Drew steps up and throws his spear and gets the dragon right in the heart. Prince Drew wins that round. Round 2!" Screams the announcer "Were going to see who can race on their horse the fastest. Ready?! Set?! Go!" "Drew is in the lead. Then Moises pulls up and he's in the lead. Then drew pulls up and their both about to cross the finish line but Moises picks up the pace, and crosses the finish line before Drew does. It was an exciting race. It's a tie!" Prince Drew won the first round and prince Moises won the second round. Princess Peyton was shocked and

surprised, she thought that surly Prince Moises would win both.

So the princess ran to Dr. Calico. "Dr. Calico, Dr. Calico! I need another spell." "What kind of spell would you like this time?!" cackled Dr. Calico with a evil grin. "I want one that will make prince Moises win in the battle; they have to do the battle since the competition was a tie." "Your wish is my command." Then the princess skipped off happily! "Rebekah!" "Yes, Dr. Calico?!" "Get me... some blood, a finger nail, human nose hair, and the love potion." "Yes, maam! Here it is," "Ok, this will be perfect. I will make Prince **DREW**, win the battle." You see Dr. Calico was trying to make prince Drew win the battle instead of prince Moises. The witch thought she knew what she was doing, but she was really making prince Moises win the battle. [This is what the princess wanted.] So the next day they had the battle and prince Moises won the battle and Princess Peyton and Prince Moises got married. Prince drew got eaten by the dragon because the dragon got mad, when he threw his spear at him. So they lived happily ever after... well at least I think so. .. not to be
